Your appointment with:

Dr. David H. Brown

Dr. Jed W. Henry

Daniel A. Cox, PA-C

is scheduled for _____.

Welcome to our practice. It is our desire to make your visit to our office as smooth and efficient as possible. We thank you in advance for your cooperation.

- As a courtesy to you, we are sending you these forms to be completed **before** your arrival for your visit. We are transitioning to electronic medical records, and all information in your medical record with us is entered electronically.
- The doctor cannot see you until your medical/surgical history, family history and all medications with dosage and prescribing information are entered into our EMR system. Please remember to bring your **completed new patient paperwork with you to your appointment**. Please do **NOT** come to your appointment and expect to complete these forms when you arrive. We may have no choice but to reschedule your appointment. We sincerely hope you understand and will comply with this important aspect of your new patient appointment and care.
- Our doctors specialize in Urology, which deals with issues concerning the urinary bladder, kidneys, prostate and other urinary concerns. The first step in detecting a urinary issue is to test a urine specimen. **PLEASE BE PREPARED TO LEAVE A URINE SPECIMEN AT EVERY APPOINTMENT AFTER YOU CHECK IN.**
- Please bring all of your medications, in a zip lock bag, in their respective pharmacy provided bottles, with you to your visit so that we may have a current and accurate listing of your medications. Please also include any over the counter medications and vitamin/mineral supplements.
- If you have been referred to our practice for an elevated PSA, please bring those test results with you to your appointment. This information is crucial to planning your care. **PLEASE DO NOT RELY ON YOUR REFERRING DOCTOR'S OFFICE TO SEND US THOSE RESULTS.**
- Please bring **X-ray films, CD image discs and any reports** relative about any radiology testing you may have had. We do not want to duplicate the same tests or delay your care.
- Please bring your most current valid insurance card(s), both primary and secondary, as well as a valid driver's license and your applicable co-pay. Our office accepts cash, check, MasterCard, Visa, American Express and Discover. The omission of any of these will require rescheduling your appointment.

Thank you, in advance, for being a partner in your care.
